**WELCOME** TO THE WONDERFUL WORLD OF HAFLINGERS, AND THANK YOU FOR VIEWING THE AMERICAN HAFLINGER Registry's 2023 ANNUAL. We're very proud of this publication which would not have been possible without the support of the equine organizations and businesses listed within, as well as the dedicated AHR members you'll meet while enjoying the next 60 pages. We hope you'll be captivated by all the beauty and versatility that is the Haflinger horse.

The Haflinger breed came to America in 1958 when Tempel Smith of Tempel Farms in Wadsworth, Illinois, imported the first Haflingers to the United States from the Tyrolean region of Austria, where nearly 100 years earlier the foundation stallion Folie 247 was born of the half-Arabian stallion 133 El' Bedavi XXII and a refined, native Tyrolean mare. Since that time, the Haflinger disposition and hardiness has made this easy-keeping horse the perfect companion and competitor -- from wartime pack animal to 21<sup>st</sup> century dressage champion and everything in between.

Whether you're an English/Western/Dressage/Trail rider; an eventer, hunter/jumper, or vaulter; hitch driver or carriage enthusiast, the Haflinger truly is a horse for every purpose and every one. With an average height of 14.1 hands, the Haflinger serves as a one-size-fits-all family horse suitable for both youth and adults. Its beauty, temperament, and trainability are unmatched.

We'd like to give special thanks to the dedicated AHR members who have shared their ads in this publication. It's not always easy to find the time or the funds to place ads, but they've done it for the love of the breed and the pride in their programs. For that, we're thankful. Please reach out to any one of them if you're looking to purchase a Haflinger or just want to *TALK HAFLINGERS*. You'll soon see why the Haflinger breed is so special -- it's both the horses AND their owners.

To learn more about the Haflinger horse, please visit the American Haflinger Registry's website at [www.haflingerhorse.com](http://www.haflingerhorse.com) or phone 330-784-0000.

The American Haflinger Registry is a proud participating organization of the USDF All-Breeds Awards. These awards are designed to recognize the accomplishments of specific breeds in dressage. Requiring a minimum of eight scores from four different shows and from four different judges, with two scores over sixty percent at the highest test of the level, and a median score over sixty percent, all of which must be earned at recognized shows when competing against all breeds of horses, simply qualifying for these awards is a major accomplishment!

Congrats to the 2022 American Haflinger Registry All-Breed Award Winners—good luck in 2023!

# AMERICAN HAFLINGER REGISTRY 2022 Inspection and Classification

THE AMERICAN HAFLINGER REGISTRY HAS AN INSPECTION AND CLASSIFICATION PROGRAM FOR EVALUATING OUR HORSES AND HOW CLOSELY THEY ADHERE TO THE REGISTRY'S WRITTEN BREEDING OBJECTIVES. HORSES ARE INSPECTED BY A PANEL OF THREE EXPERT HAFLINGER JUDGES, COMPARED TO WRITTEN STANDARDS, AND THEN GIVEN NUMERICAL SCORES IN TEN DIFFERENT CATEGORIES. THE HIGHEST-SCORING HORSES ARE AWARDED A GOLD CLASSIFICATION, AND SO ON. LESS THAN FOUR PERCENT OF THE HAFLINGERS PRESENTED FOR INSPECTION ARE AWARDED THE GOLD RIBBON.

INDIVIDUAL SCORES: 10=EXCELLENT, 9=VERY GOOD, 8=GOOD, 7=SUFFICIENT, 6=NOT SUFFICIENT, 5=POOR

TOTAL POINTS & RIBBON COLORS: 81 OR ABOVE = GOLD, 80 TO 75 = SILVER, 74 TO 71 = PURPLE, 70 TO 69 = WHITE
