Rules and Regulations Update: Embryo Transfers & Clones

The Rules and Regulations Basic Rules and Foal Registrations have been updated with additional Embryo Transfer and Clone details. Highlights are below; to read the full updates, visit <https://haflingerregistry.com>.

Basic Rules

21. Assisted reproduction

e) The burden of proof as to true parentage is to be borne by the applicant for registration and any question of parentage shall be resolved against registration of a foal carried by a carrier mare through assisted reproduction.

f) The owner of the donor mare at the time an embryo/oocyte is transplanted in a recipient shall be the original owner of a foal which is the product of assisted reproduction.

22. Cloning

a) At this point AHR will not allow registration of any horses produced by such a manner.

III. Foal Registration

6. Embryo Transplants

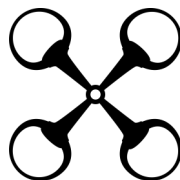

Purebred Haflinger foals which are produced as an embryo transplant are eligible for registration in the AHR Stud Book provided the following conditions are met:

a) The number of embryo transplants which can be registered with this association from any one mare is limited to three (3) per year. The regular conditions of eligibility outlined in the by-laws of the association must be met.

b) The association must be notified in writing within (90) days of an attempted embryo transplant. The notice must be made on forms furnished by the association and contain the following information. Name and registration number of the donor mare, name and registration number of the sire, name, breed (registration number if registered) and description of the carrier mare. Name and address of person doing the transplant, date egg was fertilized, and date transplant was made. Failure to file this notification within ninety (90) days, will result in a \$200 penalty.

c) The application for registration and the certificate of pedigree must identify the foal as an embryo transplant.

d) DNA sample for typing of the sire and dam must be submitted to a designated laboratory for testing within ninety (90) days of transplant. The DNA report is to be returned directly to the association by the laboratory. The foal must be DNA typed and matched with the sire and dam within 90 days of foaling and before submitting an application for registration. All DNA typing is to be done at the expense of the foal owner.

Call to order – started at 8:05pm EST

Minutes of previous meeting

Motion to approve the Minutes by Erwin / seconded by Kathie / all approved

Treasurer's report

Move to approve the Treasurer's Report provided by Staci by Glenn / seconded by Kathie / all approved

Committee reports

Western Inspection

- Canceled due to lack of commitment of enough horses – had (6) horses committed but needed more
- Will try again next year to be with Horse Expo in California as a demo for Haflingers
- Need to get judges further ahead of time next year

National Show

- Discussed what should be the minimum number of horses per class in order to have the class? We talked about having a minimum number of 3 horses per class but need to review with Tara
- Want to be sure that we are helping Tara to get judges lined up

Publication & Promotion Newsletter

- Working on the content for the May Newsletter. Our goal is to get the content created by the end of April
- Will add new Embryo Transfer rule to the next Newsletter

Haflinger Journal

- Need to follow up with Marcus Chupp about the later timing of the *Journal* to get out to members – Mark to follow up

- Discussed idea that Marcus Chupp and Mark had for AHR to provide photos from this year's AHR shows to be used on the *Journal's* future issues' covers – Mark to follow up with Marcus
- Will add new Embryo Transfer rule to content to be provided for July issue of the *Journal*

AHR Annual

- Karen Young, Jessica Hanney, and Mark are working on a plan for next year's issue of the *Annual*. Want to work on getting it done earlier in the year so that we avoid rushing at the end of the year
- We are working to have more article content in next year's issue

Website

- Need to add new Embryo Transfer rule to the AHR website

Sponsorships

- Discussed the need to add options that give AHR members something extra beyond the base sponsorship and advertising rates. Mark will work on ways to add a list of AHR members who help sponsor or advertise to the AHR website, the *Journal*, the *Annual* and Newsletters

Added Money

- Discussed the need to set up minimum numbers of class participants to pay out the new levels of Added Money Premiums proposed
- Board agreed that we should have a minimum of (3) participants in the 6Horse Hitch Class and a minimum of (5) participants in every other class for the full amounts of Added Money Premiums to be paid out
- Need to clarify that Added Money Premium will be paid with class minimums in all of our show marketing info

Futurity

- Looking at having a dinner at the Sport Futurity with the Annual Meeting, a box lunch on the 2nd day and then door prizes for participants
- Discussed whether clinicians will bring

Meetings, Minutes &

additional people to the Sport Futurity. Will NOT do clinics this year but will work on it for next year.

- Dave Render is going to be Sport Futurity judge this year

Pedigree

- Reviewed Embryo Transfer language that Kathie and Glenn proposed
- Discussed whether we want to have a limit to the number of offspring per year – moved by Glenn to accept up to 3 transfers per year per mare / seconded by Erwin / all approved

Old Business

No further Old Business

New Business

No New Business

Adjourn

Motion to adjourn by Erwin, seconded by Kathie / all approved
