STALLION SERVICE AUCTION REGULATIONS

Stallion Owner's Obligation

1. The sale of a service fee entitles the mare owner to a service fee for the 2021 season.
2. If the stallion owner sells the stallion before fulfilling the obligations to the mare owner, the stallion owner is responsible for paying the mare owner back the service fee, with the exception if the obligation transfers to the stallion's new owner with the mare owner's agreement. This should be taken into consideration before selling the service and before selling the stallion.
3. Stallion owner's obligation is fulfilled when the mare is checked "in foal" by a veterinarian.
4. Stallion owner is not responsible in case of stallion's death or infertility to fulfil the obligation
5. The stallion does not have to present when selling the service, but it's highly recommended.
6. If selling a service the 2021 mare care rates and current stud fee must be stated.
7. Stallion owners must indicate if collection and shipping charges are waived, or if only the stallion service fee is waived.
8. The sale of the service fee is a donation by the stallion owner to Hitch series, A.H.R. National and H.B.C. shows.

Mare Owner's Obligation

1. On purchase of a service fee, the mare owner is responsible for signing the buyer's slip and paying the full bid price to the H.O.A.R.H. Sale
2. The mare owner is required to pay the mare rates or semen shipping fees as stated by the stallion owner at the auction.
